While we often don't know it's origin, most of us know the phrase, "It takes a village to raise a child."

With regard to Vacation Bible School, whether you are welcoming 30 children or 300, it takes a whole church to make it happen. From college students to adults who took time off from work, from an individual who commuted from Hattiesburg each day to our retired adult volunteers, our Vacation Bible School team this year could certainly be called church-wide.

Because of the willingness of these individuals to give of their time and their hearts, two children requested to make Jesus their Lord and Savior during the week, one requested baptism to publicly share a previous decision for Christ, and one child gave his life to Christ within a few days of VBS. This is why we do what we do, Church Family, and I am so grateful to those who make it possible! Thank you to not only those who taught, but to those who supported us in prayer, counted offerings, manned the teacher break room, and so much more!

"It takes a village to raise a child!"

**CHURCH DIRECTORY
LAUNCH!**

shelbynext

Thank you for your patience while we are updating our ShelbyNext software. Once we get our update complete, we will be able to offer to you as church members a wonderful new feature, the ability for you to have an app on your phone which will give you access to your own personal information as well as your giving history. You will have a direct source of online giving without having to go to the website. This information will be available only to you.

Another feature of the app will be a Church Directory, a valuable tool in communicating with your church family. You will have access to phone numbers, mailing addresses, email addresses and birthdates. The app requires a login, so your information will ONLY be shared with other church members.

Before we launch the app, we would like to ask you to call the church office **IF YOU DO NOT WANT YOUR INFORMATION AVAILABLE ON THE APP.** We are shooting for a July launch of the app - so please let us know as soon as possible if you would like to be removed from the online directory.
