Launch of ShelbyNext App

Once our software update is complete, we will be able to offer to you as church members a wonderful new feature, the ability for **you** to have an **app** on your phone which will give you access to your own personal information as well as your giving history. You will have a direct source of online giving without having to go to the website. This information will be available only to you.

Another feature of the app will be a **Church Directory**, a valuable tool in communicating with your church family. You will have access to phone numbers, mailing addresses, email addresses and birthdates. The app requires a login, so your information will **ONLY** be shared with other church members.

Before we launch the app, we would like to ask you to call the church office **IF YOU DO NOT WANT YOUR INFORMATION AVAILABLE ON THE APP.** We are shooting for a July launch of the app - so please let us know as soon as possible if you would like to be removed from the online directory. Thank you.
