CAN YOU HELP? **WORLD CHANGERS**

Tuesday, June 7

Our WMU is going to make 130 lunches for the World Changers crews and **will need help delivering** them to the various job sites around Meridian.

This would be a great project for a Sunday School class or men's group.

Check your calendars and call Amy Price (601-486-8346) if you can help. THANKS!

WHAT IS WORLD CHANGERS?

Since 1990, World Changers has existed to provide meaningful missions experiences for student ministries through North America. Over 400,000 students and adults eager to serve communities through construction and church planting ministry have experienced World Changers. Groups sign up for more than just a weeklong mission trip; the students are provided the tools and training to equip them for a lifetime of missional living. No matter what kind of college major, career, or volunteering opportunities are in their future, these students will leave a week of World Changers here in Meridian knowing how to share the story of Jesus with others.
