Dear First Baptist Church Family,
 Father's Day, June 19, is fast approaching. This is the day we have chosen to have our MSS Sunday Fund collection at First Baptist. The Sunday Fund is a benevolent fund that helps take care of those living in Aldersgate or other MSS communities who have outlived their resources.

For elders living at Aldersgate or any of the other Methodist Senior Services retirement communities in Mississippi, worry about how they will pay their rent is taken away by the Sunday Fund. No one has ever been asked to leave a MSS community because they could not pay their rent. Your support of this special fund helps assure that this will continue. What better way is there to honor our fathers on Fathers' Day, than with a donation to the MSS Sunday Fund. Every penny that you donate goes directly to help residents in need.

First Baptist Meridian consistently ranks in the top ten giving churches in Mississippi. Our support is very much appreciated by those receiving it. Will you please consider a donation this year to the Sunday Fund?

Your check made out to MSS Sunday Fund is 100% tax deductible. You may use the envelope previously mailed to your and turn it in to the church office on or before Sunday, June 19, or you may mail it directly to the MSS Senior Services Office in Tupelo.

We are honored to serve on the Aldersgate Board of Directors. If you have any questions about the Sunday Fund or anything at Aldersgate, please don't hesitate to call us. We would love to talk to you. Aldersgate is a wonderful place. Thank you so much for considering a gift to the Sunday Fund this year!

Sincerely,

Leslie Dunn
 Jeremy Hill

 Chris Lauderdale

As most of you know, we are experiencing difficulty with getting your weekly publications delivered to you on time via the USPS Bulk Mail Department and unfortunately, it is not cost effective to send all the weekly mail at first class postage rates. Beginning next week, if you have an email address on file, **we will email you The Messenger and The Prayergram/ Communicator on Thursday of each week.** If you **do not have email capabilities**, we will continue to mail your publications but they will be sent by first class mail, instead of through the bulk mail department, which should get them to you sooner. We appreciate your cooperation as we make this needed change.
