*"We've talked about our pro-life stance for the last 49.5 years. But if we have done it without love, we were just a clanging cymbal. The time is now. It's time to put our stance to action and help those impacted by unexpected pregnancies - **practically, spiritually, and emotionally**. We can't just say "good luck" and turn our backs. We have to help women **be brave** and help them **have their babies and their dreams too**. We all have something to give whether it's time, talent or treasure."* Amy Ford

PRO-LIFE IS A STANCE.

PASTOR SEARCH UPDATE AND PRAYER REQUEST

from the Pastor Search Committee

Since our pastor search began, we have received over 90 résumés. We are diligently studying them, checking references, and burning the midnight oil listening to sermons in preparation for our weekly meetings. We are continuing to receive résumés. You can help us by remembering to turn in names of any prospects that you may have. As we continue to work to find the pastor that God has chosen for First Baptist, we covet your prayers.
