The FBC Security Committee has met with a special focus on enhancing the security procedures at the church. They have recommended that **beginning May 15**, the code to the door will be changed and will be given out on a limited access basis.

If you have a need to access FBC via the code outside of regularly scheduled church activities or normal working hours, the Security Committee asks that you DO NOT make the assigned code available to anyone (including your children). Thank you so much for your cooperation. *(You should have received more details via email.)*
