First Baptist Meridian is excited to invite everyone to a special town hall meeting on **Wednesday night, August 7th**, at 6:30pm. We will still have family night supper in the fellowship hall at 5:15pm and then gather in the sanctuary for this special event. I'm asking **all groups** to join us as we unveil our new logo and brand standard, along with some core values we want to share. Many different groups have worked on a new, fresh, and inspiring logo that represents our historic downtown church. This is a pivotal moment for our congregation as we embrace a new visual identity that honors our rich heritage while looking forward to the future. The new logo is not just a design; it is a symbol of our mission, values, and the vibrant faith community we strive to be. The new logo will play a crucial role in making our church more visible and recognizable within our community. It will serve as a foundation for all our communications, including print, digital, web based, and television ministry. By adopting a brand standard, we aim to strengthen our presence and outreach, making it easier for people to connect with our ministries and participate in our activities.

Why a "town hall meeting", and why are we asking every age group to attend? A productive town hall builds trust and morale, promotes transparency, and helps to create a collective sense of purpose. We are all in this together! We believe a town hall meeting is a perfect way to gain momentum in attempting to reach our strategic goals as a church. We encourage everyone to attend this important event and be a part of this new chapter in the life of First Baptist Meridian. Let's come together to celebrate our past, present, and future with a renewed sense of purpose and unity. See you there.
